## SANTA WILL BE EXPECTING KIDS ON TIME FRIDAY

All Children Who Should Attend the Business Men's Christmas Treat On Friday Evening Should Be On Hand In Plenty of Time.

Only one important matter is left for the success of the Business Men's big Christmas treat to be given at the court house Friday afternoon and that is that the children who should have a part in the celebration all get there and get there in plenty of time. The only matter which is worrying the business men is that it might be possible that some poor child will be left out of the celebration.

The members of this committee again charge the public with the duty of seeing that the needy children and the needy children only, get to the court house by 2 o'clock at which time the doors will be opened and Santa Claus is expected to arrive shortly thereafter. A representative of old Santa today made all arrangements for teamsters to haul the tops and candles and fruit to the court house where the committee of women will arrange them for distribution to the kiddies.

The Boys' Band will be on hand at the appointed hour with a musical concert for the kiddies filling them with the Christmas spirit. These lads and lassies will also be filled with the Christmas spirit for the managing committee has already arranged their annual checks and these checks will be distributed at this meeting so that the hand boys and girls will have plenty of Christmas money.

### CHRISTMAS SAVINGS CLUB.

We will operate a Christmas Club in 1921, the same as we have done heretofore. We opened the first Christmas Club in Maysville and have found by experience what we believe, and think you will find, to be the most satisfactory system.

You can deposit any amount any time and get interest twice a year. No fixed amounts or dates and you do not lose your interest if you miss a payment. We give you a book instead of a card. Join any time, you are always welcome.

BANK OF MAYSVILLE.

"Splendid," that's the universal verdict—Travel's cakes, you know.

### PRAYER MEETING TONIGHT.

The regular mid-week prayer service will be held this evening at 7 o'clock at the First Baptist church. The study in the book of Acts continues under the leadership of the pastor. The public is cordially invited to all of these services.

Give her Furs. We have just received a new shipment at very much reduced prices. Furs at \$10.95, \$14.95, \$25.00, \$39.75, \$49.00, \$75.00, \$100.00. You are safe when you give Furs. Merz Bros. 22Dec21

### CHRISTMAS CONCERT AT 2:30 O'CLOCK.

The free band concert to be given by Maysville's two juvenile bands will begin promptly at 2:30 o'clock Sunday afternoon at the Washington Opera House and the public in general is invited to attend. No charge whatever, just a good time as a Christmas gift from our wonderful band.

## LATE SHOPPERS ARE EXPECTED HERE FRIDAY

Splendid Stocks for the Late Shoppers to Select From in Maysville Shops and Prices Are Alluring.

The grand Christmas rush which always comes the day before Christmas is expected in Maysville Friday and all of the local stores and shops have made arrangements to care for the big crowd which is most certain to invade the city from all of the surrounding territory.

Not in many years have the local stores displayed such a splendid line of Christmas goods. Most acceptable presents for every member of the family are to be found in large numbers. The stock has been daily replenished from the stock rooms and the counters and shelves of the local shops are as fresh as they were four weeks ago due to the splendid management of the stores.

Persons seeking Christmas presents of worth need look no farther than Maysville. The wants of the entire community have been foreseen by our shrewd merchants.

Business today in the stores has been good but tomorrow the crowds are expected to be enormous but every one will be cared for and one need not be rushed because of the large crowd as in every store plenty of clerks will be found.

### SANTA TO VISIT BAPTIST CHILDREN.

There will be a Christmas entertainment at the First Baptist church Friday evening at 7 o'clock for the members of the Sunday school and church. The Primary and Intermediate Departments have been preparing a nice entertainment for old Santa Claus, who will be there. Much interest has been taken in this program and a special invitation is given the membership to be present.

### STREETS WASHED FOR CHRISTMAS.

Street Commissioner Ben Smith and his force of assistants are today busy at washing the streets ready for the Christmas holidays.

All barber shops will remain open until 11 o'clock Christmas Eve and will be closed all day Saturday—Christmas day. 21Dec21

## BURLEY BODY TO SOLVE THE PROBLEM OF LOW GRADES

Company for the Direct Sale of Low Grade Burley to Foreign Buyers Is Being Organized.

Lexington, Ky., Dec. 23.—A solution which members of the organization believe will prove entirely adequate for the problem of how to dispose of the low grades of leaf tobacco that fail to bring a satisfactory price when offered on the looseleaf warehouse floors of Kentucky, was offered Wednesday by the Burley Tobacco Growers' Association.

Directors of the Association, Lexington and Blue Grass bankers, warehousemen, prominent farmers and red-ryders combined to formulate the plan which will be put into effect with the opening of the Lexington Market, January 3.

The proposition will be submitted to growers for the first time Thursday afternoon at 1:30 o'clock at the mass meeting of Burley growers of Fayette and other Blue Grass counties in the court house. It will be explained in detail by John W. Newman, president of the Burley Association. All national officers as well as county officers will be present.

The Burley Tobacco Marketing Company is now in the process of organization. Its officers will be the same as those of the Burley Tobacco Growers' Association. Control of both bodies will be in the hands of the growers at all times, the articles being so drawn that no one man can obtain a dominating position in the affairs of either of the organizations.

This company will begin operation January 3. Low grades and tobacco for which prices not satisfactory to the grower are offered will be turned over to the company by the farmers. They will receive a receipt, stating the number of pounds of each grade given to the company's charge. The tobacco is turned over to redrying plants in the Burley belt, redried and stored, warehouse receipts for the leaf turned over to the company. These receipts will be negotiable in all banks that are members of the Federal Reserve System.

Enough money to pay storage charges on the tobacco held by the red-ryders will be borrowed from the banks on the receipts. The tobacco will be held in storage until disposed of at a profitable figure directly to European countries for short time government bonds.

The preferred stock of the marketing company will be issued in payment for tobacco at their fair market value. When the final sale of the season is made, the preferred stock will be retired at par and accumulated interest. Any profits left will be distributed pro rata among the growers. In this way, it was explained, every man will share proportionately in the profits to the value of the tobacco delivered by him to the marketing company.

No member of the growers' association will be required to thus dispose of his tobacco, according to President Newman. Any grower not a member can put his tobacco into the marketing company by paying the regular annual dues of the growers' association. The company will start business with \$25,000 subscribed to the preferred stock, payable in tobacco. The capital of the company will be increased from time to time until all tobacco turned into the company is paid for in preferred stock at the fair market prices on the open market. The capitalization is expected to reach \$1,000,000 before the close of the season, it was stated by Burley Association officials.

## CABLE BREAKS, SINKING PARTLY RAISED STEAMER

Divers Were Unable to Recover Three Missing Bodies From Sunken Margaret—Smith Is Found.

Augusta, Ky., Dec. 23.—Breaking of a cable, causing the partially raised ill-fated Government towboat Margaret to submerge again, handicapped divers Wednesday in their efforts to rescue the bodies remaining of the eleven victims.

Three bodies are believed to be in the boat on a part of which the divers had been able to penetrate before it sank the second time.

The body of Dewey Smith, 22-year-old bridegroom, a veteran of the World War, was recovered Wednesday near the shore.

The bodies of Captain George Hart, master of the craft; his daughter, Mrs. Frank Coffee, and William Hines still are missing. Search for them will be renewed when the boat again will be raised.

It is believed that if their bodies are not trapped inside the boat that they are at least very near it. The divers explored only that portion of the craft above water, it being dangerous to penetrate lower.

H. L. Hines, Nashville, Tenn., arrived to assist in the search for his son's body.

## INTERSCHOLASTIC LEAGUE PROPOSED BY UNIVERSITY

First Class High Schools of Kentucky Asked to Join League to Promote Debating and Athletics.

Kentuckians long have been noted for their ability to hold their own in debate and athletic events, but if plans of the extension department of the University of Kentucky for formation of the Kentucky Interscholastic League work out the younger generation will be better schooled in both competitive branches than their elders.

Formation of the league together with rules and regulations, with the activities culminating each year in an athletic and debating program at the university, were announced here by Dr. Wallington Patrick, director of extension work at the university. The first annual tournament will be held in Lexington on May 7.

"The aim of the organization is 'better debate,'" said Dr. Patrick. "In doing this work it is not our purpose to interfere with any organization doing the same kind of work in the state."

All white public schools, academies and prociol schools in the state are invited to participate. It was stated.

The organization of the league is under the direction of Dr. Patrick as chairman; Prof. W. A. Mikesell, professor of public speaking at the university and Dr. S. A. Boles, head of the department of physical education.

"The purpose of the league is to foster in the schools of the state the study and practice of public speaking, to assist in organizing and standardizing and controlling athletic and to work for the common interests of the high schools of the state in such other activities as it may seem proper to bring under this league from time to time," said Dr. Patrick in outlining the plan. "Memberships at present will be restricted to white accredited high schools and academies of the state."

"As soon as the membership of the league is determined, the state will be divided into districts by the executive committee and the district officers (three members) will be appointed. The number of districts will be limited to ten in each branch of activity. Athletic districts will not be formed until plans are carefully worked out. "The state executive committee will hold the final contests in athletic and debate and have jurisdiction over eligibility and other questions that may arise."

## GUARD ON LIQUOR TRUCK IS SHOT

Whisky Being Moved From Frankfort Distillery to New York—Guard Shot In Cincinnati.

A series of thrilling incidents occurred Wednesday night, when a whisky-laden truck was proceeding up Reading Road near Florence avenue in Cincinnati.

A mysterious band of men in an automobile hovered around the truck, a veritable treasure trove for bootleggers, as it contained \$10,000 worth of whisky; there was a sudden halt, then shot rang out in the darkness and one of the guards of the truck fell, probably mortally injured from a bullet wound in the chest. The mysterious assailants sped away in their auto before police arrived on the scene.

The wounded man is Joseph Kline, 28, of New York city, who was one of several men accompanying George Worden, owner of the whisky, in transporting it from a Frankfort, Ky., distillery to his place of business in New York. After being taken to the general hospital, Kline told Cincinnati detectives that the attack occurred when the fan belt of the truck slipped off and the truck had to be stopped. He said that a machine from a point back of Covington, Ky., had passed up Reading road, but disappeared just ahead of the truck. Kline said, and he went over and asked the men in it why they were following the truck. Without a word, Kline said, shots were fired by the men and he was struck. He staggered away and the occupants of the automobile drove away.

## TWO THOUSAND DIE IN CHINESE QUAKE IN FAMINE SECTOR

Towns Are Laid Waste In Isolated Section of China—Quakes Began December 16th According To Reports.

Shanghai, Dec. 23.—Two thousand lives were lost in an earthquake in the isolated province of Kan-Su, according to reports here today.

The first shock occurred December 16. They were continuing at last reports. The town of Pengliang and several surrounding villages were reported wrecked.

Rescue work was being carried out with difficulty because of the isolation of the province and its extreme ruggedness.

Kan-Su also is in the famine district.

The world probably is entering a maximum period of earthquakes and eruptions, according to the Rev. F. L. Odenbach, astronomer of St. Ignatius College Observatory, Cleveland.

Commenting on recent earthquakes in Argentina and the Island of Yap, Rev. Odenbach said:

"Earthquakes and eruptions come in maximum and minimum periods. For the past year and a half we have been passing through a minimum period. Now it is probable a maximum period is setting in."

There are three main causes of earthquakes, according to Rev. Odenbach:

Volcanic—causing tremors of the earth.

Downtown—usually short quakes caused by the ceilings in large caves and mines

And likewise to earnestly and consistently oppose all things that are not for the good of the County as a whole.

## New York Letter

New York. The horse markets, open auctions, where gather the horse-trade lovers of all sorts and all tastes, still exist, I had supposed, somehow, that they had gone out of existence with the "dog carts." Until I came upon the block in the twenties, just east and west of Third avenue. It was one of those summery days of this last week and the look looked like an old-time horsefair—back in Ohio, for instance. There were some good looking horses there, too, which attracted me until someone showed me "Tom-As-is." Even the horses couldn't compete with Tom. He has complete scorn of podgreed horses. "Machines," he calls them, and refused to enter the bidding while they are up. "What I know about horses," he explains, "I'll use in my buying. The rest is gamble. Nothing else makes any business worth while. I don't want any horse's worth all mapped out for me." And not until the auctioneer cries, "As is, no guarantee, no pedigree," does Tom get interested.

This is a popular year for horses around and about Manhattan. Never has there been such a season for fox hunting. On Long Island, in Westchester county, and at the Essex Foxhounds Club in New Jersey, week-ends have been devoted to it almost exclusively. Hunting clubs from Delaware and from the Genesee Valley of New York, have been frequent visitors. In fact the hunting has been so fast in one popular region that the M. F. H. has adopted a plan to economize on the foxes. Just when the hounds are upon the animal, he catches it by the brush and swings it into a strong bag. And the fox is saved to run another day.

Greenwich Village, the district about Washington Square, has become so celebrated that it has been made the scene of the latest musical comedy. "Lady Billy," the Henry W. Savage production starring Mitzel, introduces a Moumanian countess to the village and throws in enough romance to suit both Mitzel, the romance loving "Bohemia," and all Roumanian. Mitzel Hajos, she use do be, but like Nazimova, Cleopatra and other world-bits, she has become a one-name person. Because "Lady Billy" is put on by Savage, one is not as surprised as he otherwise would be at finding real singing voices in a musical comedy. And New York is glad to have the petite Mitzel with us once again.

In three plays running now all at once, George Savelin appears in the cast. By the time one reads the program through at the third one of the plays, he grows amazed. How does "George do it" all? He's a street car conductor in "Pitter Patter," Marco in "The Broken Wing," and Oscar Nelson in "Lightnin'." There's a secret. This it is. "George Savelin" is the stage name adopted by actors who, playing an unimportant role in a production in addition to their own more worthy parts, do not wish to be listed on the program as "doubling."

Forty child wonders are almost more than the human brain can bear to think about. And 40 child wonders all gathered together, to meet each other, is pretty nearly appalling. But Cantor Joseph Rosenblatt had the courage to give a "party" for them all (I can't resist putting quotation marks around that kind of a "party") at his home the other day. The most famous of them were Samuel Rzeszewski, 8, the chess master, Mildred Milleron, 11, cellist and Florence Stern, 12, violinist. But the rest were pretty nearly as prodigious.

The yanker is our latest subway innovation. He is companionpiece to the pusher, the man who braces his 180 pounds and sees that you are fully inside the door before the train starts. He is valuable but he wasn't quite sufficient. Hence the yanker. He reaches a long arm inside and pulls you out if you aren't making sufficient speed in accomplishing the job by yourself. He's proving a great help.

The first New York theater "smoke

den" for women patrons has been introduced at the Apollo, the city's new playhouse. It's just what it's called, a small smoking room where men are not invited and the women can have "a nice quiet smoke without being interrupted."

THREE MORE STATE CONVICTS ESCAPE  
ROAD CAMP  
State Must Pay \$100 Each For Their Return and Another Camp Superintendent Has Been Suspended.

Frankfort, Ky. — The escape of three more road camp convicts from the camp at Dillon the past week and the suspension by Warden W. H. Moyer of another superintendent is declared by those who oppose this use of convicts on the roads of the state to show the impossibility of properly guarding the prisoners in the road camps. The state must either pay a prohibitive sum for a sufficient number of guards to prevent their escape, or it must count on some escaping whenever the disposition to "roam" comes over them. The state must pay \$100 each for the recapture of any escaped prisoners.

In the cases of the three other prisoners who escaped Wednesday night nothing was known of the escape until Saturday night. When Warden Moyer learned through Chief of Police W. B. Halcorn, of Lynch, that he had captured three negroes from the convict camp. Warden Moyer promptly suspended J. T. Royalty, superintendent of the camp, who succeeded John Marcum, who was head of the camp at the time one of the convicts murdered Miss Lura Parsons, the Pine Mountain Settlement teacher and who, it was testified in the Parsons hearing, threatened to kill anyone who

## THE BIG ARMY OF LITTLE RED CORPUSCLES

Plenty of Red Blood Is the Surest Foundation of Bonnding Good Health.

GOOD BLOOD CONQUERS DISEASE  
Pepto-Mangan Purifies the Blood and Fills It With Red Corpuscles.

Scientists like to compare the red corpuscles in the blood to an army. The red corpuscles are disc-shaped, smooth cells which swim in the blood in large numbers. They take up and carry away impurities from all parts of the body.

When disease germs enter your body (and millions do every day) it is the red corpuscles that attack and destroy them.

If your blood is weak and sluggish and loaded with poisons, the disease germs are able to multiply quickly. That is when you are pale and what you call "run down."

That is when you need to take that great tonic, Pepto-Mangan. It contains the ingredients your blood needs to build it up and increase the number of red corpuscles.

Pepto-Mangan is for sale at your druggist's, and in both liquid and tablet form. They have exactly the same ingredients. Take whichever you prefer. But to make sure you get the genuine, ask for "Gude's Pepto-Mangan" and see that the name "Gude's" is on the package.—Advertisement.

connected the convicts with the crime. Public sentiment is said to be growing all over the state against the use of convicts on the roads and the country press is declared to be unanimously against a continuance of the system. It was said here that in the event of convicts escaping the state could not count on a prompt report from guards, who naturally would want a chance to recapture their prisoners, in which event no report of the

escape would ever be made, since it would be a mark against the record of both guards and prisoners. That accounts for the failure to report the recent escape.

During the existence of more than a century the British and Foreign Bible Society has distributed approximately 250,000,000 copies of the Scriptures in over four hundred languages and dialects the very names of which are unknown to many students of languages.

MOTHER GAVE IT  
Virginia Lady Suffered With Aches and Pains Until Mother Began Giving Her Cardui.  
Dublin, Va.—Miss Mary Alice Huggitt residing on Route 2, near here, recently told a visitor of her interesting experience with Cardui. Miss Huggitt said: "I had been suffering for some time with painful... I was pale, didn't feel like going. Would just drag around, and couldn't rest to do any good. I would suffer once a month with my back, sides and head. My limbs would ache and I didn't know what to do, but I knew I must do something, for I didn't get well by letting it run on. 'My mother is a believer in Cardui, for she saw what it did for others as well as herself, so she began giving it to me. 'It wasn't long before I saw a change. It was just what I needed. It regulated me. I began to eat and sleep, and the pain stopped. 'Cardui is without doubt the best female tonic made, and I am glad I can recommend it to others.' If suffering with symptoms such as Miss Huggitt mentions, or other ailments peculiar to women, why not begin Cardui at once? Its merit is well established by successful use for more than 40 years. ## Progress and Efficiency

We are anxious for the business and accounts of all, but we do not want you to think of us simply as a place to deposit your money. It is our aim to give to our customers the most correct, helpful, prompt, progressive, efficient and up-to-date service possible.

The leading Banks of the country have adopted the plan of supplying their customers with statements and this new plan seems to be working much more satisfactorily than the old system. Under the old system, a customer must leave his book to be balanced, which requires time and makes it impossible to immediately re-deliver it to them. Under the new system there will be waiting until tomorrow or next week before getting a full statement of your account. It, together with all your cancelled checks, will be ready for you any time you call. This means an additional convenience and saving of time to you.

We will continue to issue pass books to all depositors and keep the accounts of those who wish same in the old way, our sole object being to serve our customers to their best interests and in the way they wish us to.

## WHAT'S THE REASON?

Many Maysville People in Poor Health Without Knowing the Cause.

There are scores of people who drag out a miserable existence without realizing the cause of their suffering. Dry after day they are racked with backache and headache; suffer from nervousness, dizziness, weakness, languor and depression. Perhaps the kidneys have fallen behind in their work of filtering the blood and that may be the root of the trouble. Look to your kidneys, assist them in their work—give them the help they need. You can use no more highly recommended remedy than Doan's Kidney Pills—endorsed by people all over the country and by your neighbors in Maysville. Ask your neighbor!

Mrs. M. Holliday, 221 W. Second St., Maysville, says: "At times, my back has become weak and lame and has ached across my kidneys. My kidneys have been irregular in action and I have had dizzy spells and headaches. I have always used Doan's Kidney Pills, getting them at Wood & Son's Drug Store, and they have never failed to relieve these complaints."

Price 60c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Holliday had. Foster-McMillan Co., Buffalo, N. Y.

## SAYS ALLIANCE

Rev. Harry L. Bowby.

"No matter what popular opinion may be" in the gist of the Lord's Day Alliance utterances, "the United States must return to a purer and more sacred Sabbath." This statement, following the opening of headquarters in New York with National Secretary Rev. Harry L. Bowby in charge, has excited the big town folks as no other recent event. For under the cloak of "dry cleaning" the United States through federal and state laws, New York has discovered that the drive of the Lord's Day Alliance of prohibiting all Sunday amusements is the ultra aim against the use of tobacco, especially the cigaret. The Fifth Avenue Coach Company has taken a vote of its thousands of riders and will continue to permit smoking on the three rear seats atop their own buses.

## BAINE-BALL.

The many friends of Mrs. Lillian Baine, of Orangeburg, will be quite surprised to hear of her quiet marriage at College Corner, Ohio, on December 2nd to Mr. Herbert Ball, of Carthage, Ind.

Mrs. Ball is one of Mason county's most popular women, well and favorably known in all parts of the county. Mr. Ball is engaged in the business of operating a paint and paper store in the Indiana city and the marriage is the culmination of a courtship of some time. Mrs. Ball is here at this time visiting relatives and in January they will leave for a wedding trip to Chicago, Kansas City and Denver, after which they will make their home in the groom's home city. The many local friends extend heartfelt congratulations.

All members of Burns Chapter, No. 31, O. E. S., are requested to meet at the hall Sunday, December 26, for installation at 2:30.

The mother of Charles Braxton, who recently died, has just received the following from a firm for whom Charles worked in Dayton, Ohio:

"Dear Mrs. Adams: We are extremely sorry to learn of the death of your son Charles. This was quite a shock to us. He was a very popular employee of the store and well liked by all those with whom he came in contact. We are taking this opportunity to extend our sympathy to you as well as a check for one hundred (\$100) dollars, which is the death benefit authorized by the Rike-Kumler Mutual Benefit Association of which Charles was a member. 'RIKE KUMLER MUTUAL BENEFIT ASSOCIATION.'"

The Bethel Baptist Sunday school has arranged for a very elaborate Christmas program to be given Monday evening at the church. They will render a beautiful and humorous cantata "A Joke on Santa Claus." John Henry Jackson represents old Santa Claus and Santa really is caught this time. Charles Bennett is the Sand Man and he will surely put you to sleep. There are other fine characters. The music is fine with plenty of jazz in it. Everyone is invited to be present to witness this play.

## A NEW REMEDY

Thompson's Barosma Kidney Tablets.

Are the result of a great deal of medical research and study. Thompson's Kidney Tablets are composed of the drugs that have proved themselves in past years the most efficacious for kidney and bladder diseases, combined with the newly discovered drugs and chemicals that have made great advancement in the treatment of the kidneys and bladder. They also act upon the liver.

If you have any indication of kidney, liver or bladder trouble, backache, sideache, aallow complexion or nervousness, we want you to try the Tablets on these liberal terms: Purchase a box of Thompson's Barosma Kidney Tablets from J. J. Wood & Son, and if you are not greatly benefited after taking the tablets, return the empty box to J. J. Wood & Son and they will cheerfully return your money. Price 60 cents.

If you are constipated or bilious take one of the Golden Lax Tablets at bedtime. 25 cents per box.

## HOME OF FARMER LOOTED; BLOODHOUNDS LOSE TRAIL.

Carlisle, Dec. 23.—During the absence of the family, the residence of L. H. Small, Needmore, was ransacked and a gold watch and \$15 in money secured. Bloodhounds followed the trail to the road, where it is supposed the burglar took his car.

Make the kids happy for Christmas. Give them as much of Traxel's pure home-made candies as they can eat. It won't hurt them. 18Dec5t

Mrs. W. L. Carmichael, of Knoxville, Tenn., is visiting Mrs. William Smithers.

Mrs. Mollie Mitchell and daughter, Miss Allene, left this morning for Lexington where they will spend the Christmas holidays with relatives.

## The Girl in the Rain

Supporting all-star cast includes James R. Liddy recently a popular leading man in Broadway musical production; Lloyd Bacon, Neal Hardin and others. Alone in a deserted cabin, miles from nowhere, they pretended they were brother and sister, but the heart would not be deceived. The lightning flashed and the thunder pealed as the fleeing horse dropped to the ground. This production features the most wonderful and realistic rain storm scenes that was ever filmed. The exquisite scenes of the play are laid in old Virginia. Beautiful scenes along the Sacramento River are pictured.
